EASTER SUNDAY
OF THE RESURRECTION OF THE LORD

First Reading: Acts 10:34a, 37-43

Peter discusses Jesus' life of preaching and healing. Jesus was crucified, then he rose up and was seen by his chosen witnesses. Peter also mentions the importance of all the disciples bearing witness to what they saw, so that many people would believe in Jesus, and have their sins forgiven through him.

Second Reading: Colossians 3:1-4

Paul asserts that we must pay attention to higher realms rather than earthly concerns. Our life is not yet completely known to us, until Christ appears and we are raised to glory in him.

Gospel: John 20:1-9

When Mary Magdalene discovered Jesus' tomb was open, she told Simon Peter and another disciple. They ran to the tomb and Peter went inside. He found the burial wrappings on the ground, with the head covering separate from the rest. The other disciple came in and they believed what they saw, although until then they had not understood the Scripture's message of Jesus' resurrection.
